Thanksgiving Offering Will Be Over \$55,000 \$15,000 Added to Scholarship Endowment

Final Total Will Be the Greatest In All Barium's History

Been Received, With At Least
\$4,500.00 to Be Forwarded

152 Churches Have Sent Best Sums In 18 Thanksgiving Seasons

The 1942 Thanksgiving Offering from the Synod of North Carolina to the Presbyterian Orphans' Home at Barium Springs is slated to be the greatest response in any single Thanksgiving season in the 51-year history of the Home. Sometime ago it was felt that this would possibly occur and as the responses have continued to reach Barium Springs the certainty of this has become more pronounced.

While no checkup of contributions made to Barium Springs has been made beyond 1925, yet it is felt that the largest gifts to the Home by the Synod have come since that year. In that period of 18 years, the greatest total given was \$51,338.58, contributed in 1936 when intensive efforts were successfully made throughout the Synod to get an exceptional Thanksgiving Offering and pay off the mortgage indebtedness on the Home.

However, that 1936 Thanksgiving sum is going to be easily passed by the final report for 1942, for on January 13th, the Synod had forwarded a little over \$50,800.00 to Barium Springs as Thanksgiving response. It was conservatively estimated that between \$4,500.00 and \$5,000.00 was yet to be sent by some of the churches, for quite a few had not submitted the original reports, and many others were having supplementary Offerings for the Home.

The final Thanksgiving total of 1941 was \$46,355.23, so the giving of Synod in the 1942 Thanksgiving season will be around \$9,000.00 better than the previous year. Officials here are gratified that the higher cost of living, as it is inevitably reflected in a family the size of this one at Barium Springs, is being taken care of by the Synod because of its superior (Continued On Page Two)

Rationing of Doctors Doesn't Bother Barium

Completion of Clinics in January Shows Family Here in Excellent Health

According to a recent article by a prominent doctor, Iredell County doesn't have one doctor to each eight hundred population, which was the pre-war quota; nor one to every 1,500, which is considered a practical maximum, but one to each 4,800, which means that we've got to ration the doctors just like we do our sugar and gasoline, and coffee. And Barium Springs is evidently working in that direction.

Here is why:

We have just completed our mid-Winter examination of the physical condition of the children at Barium Springs. We found six children with bad tonsils; four others needing minor treatments or operations - one major operation needed.

We found one child with childhood tuberculosis, as compared with the usual average of 25 needed tonsillectomies, and as many as 12 active childhood tubercular cases, which has been the average for a good many years.

On the other side of the ledger we found that the general condition of the children was better than in any previous year, not excepting two years ago when we made this same statement. One person gained 28 pounds, fourteen gained between 20 and 30 and only one person failed to show some gain. Being one of the older girls, it was no indication of ill health.

For the past two years we have gotten by without one case of flu. This year, not one cold even showed up at examination time. In January, 1941, we put on an experiment, using codliver oil tablets for 30 days. Apparently the results were good, but to be sure we tried it again in 1942, with the same good results - this year we doubled the length of time that we plan to use these reinforcing tablets and apparently the best results yet are in evidence.

Our Christmas was a very happy one in spite of restricted travel and the impossibility of getting some of the things that have always been a part of our Christmas. (Continued On Page Three)

Good News

As a result of its study of the catechism on the Presbyterian Orphans' Home, the Business Girls' Circle of the Grove (W) Auxiliary has voted to send \$1.00 per month to Barium Springs, and the first \$3.00 sum for October, November and December has been received. The other Circle at Grove was already doing this, and now it is 100%. The Business Girls' Circle didn't announce its winner of the catechism examination, but the entire membership became conscious of what it would mean to the Home to receive something regularly throughout the entire year.

Names of Catechism Winners Announced

In sending out catechisms to all of the Auxiliaries last fall for their November study on the Presbyterian Orphans' Home, it was stated that if the name of the member or member making the best mark in the examination were furnished to Barium Springs that they would be published in The Barium Messenger.

A few of the Auxiliaries have reported the results of the "quiz" and these are being recorded below:

Ahoskie Auxiliary studied the catechism by Circles, and Circle 1, of which Mrs. Robert Pearson was chairman, was the winner.

Rocky Mount Second Auxiliary wrote that the catechism was "put over in a big way", but since it was used in a spelling bee form and it was hard to say who answered the most questions.

Culdee Auxiliary's winner was (Continued On Page Two)

Orphanage Work Secretary Says:

Dear Friends and Co-Workers of Barium:

Happy New Year to you!

We have bid farewell to the old year and set sail upon the new. Many of you have made New Year resolutions and resolved to make many changes in your lives and do a great many more important and worthwhile things than in the past.

We find a challenge for the new year in Philippians 3:13, 14: "But this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus."

We have so many calls these days but none more appealing than the work at the Presbyterian Orphans' Home. I am sure we are going to keep the Home on our hearts and continue to give the loyal support and interest that we have during the past year.

The rationing of gas is going to keep many from visiting the Orphanage, but I trust you will keep in contact with the needs of the boys and girls by writing to Mr. Milton.

With best wishes to all my co-workers of Barium for a year of loving service for our fatherless ones, I am,

Sincerely yours,
(Mrs. C. I.) Janie J. Loftin

First Church Sum, Not As Memorial, Received

Mr. and Mrs. W. L. Matheson, of Mooresville, Make \$100.00 Contribution

Many, many contributions - in fact well over 500 - have been received in the past nine months for the memorial church that some day will be constructed at Barium Springs, but the first contribution without any memorial idea attached to it was received for the future church in December when Mr. and Mrs. W. L. Matheson, of Mooresville, sent \$100.00 for the proposed building at Barium Springs.

Mr. and Mrs. Matheson had in mind the purchasing of a \$100.00 bond for the church, but later decided to send the \$100.00 in case to Barium Springs for investment in bonds here. It was well that this decision was reached, too, since all of the bonds are registered in the proper name of the Home. It was some time before the first bond was made out and delivered from the date of application because of the desire to have these registered properly.

Up until the time that gift came from these Mooresville friends, the sums in the memorial church fund were simply memorial contributions sent in honor of friends and loved ones, and these were considerably in excess of 500 in number in three-fourths of the year. Along about the Thanksgiving and Christmas seasons an unusually large number arrived in memory of loved ones who were not here to help celebrate those occasions with the donors of these amounts.

While the memorial fund is accumulating, an investment of the gifts is being made in government bonds, and so numerous have been these contributions that \$3,500.00 of government bonds were bought with donations of this kind in the first nine months of 1942-1943. That is over and above that 10-year accumulated sum of \$7,263.36 which was set aside by the Regents last May, so at the close of January there will be close to \$14,000.00 in government bonds in the possession of the Presbyterian Orphans' Home.

One Sunday School wanted to honor a pastor who recently died and they sent \$87.50 to Barium Springs with the idea of officials here purchasing a bond for that church. Several individuals have sent \$25.00, \$50.00 and \$75.00 sums, and while they didn't mention the buying of bonds, yet they knew of the plan that was in operation and were aware that their contributions would be so (Continued On Page Three)

Second Gift by Mrs. M. L. Ellis, of Greensboro, Was Made This Month

The "Morris Leon Ellis Endowment Scholarship" Now Totals \$30,000.00

WAS ESTABLISHED IN '42

Original Gift Was \$15,000. - Income for College Educations.

The Morris Leon Ellis Scholarship Fund established at Barium Springs last year with a \$15,000.00 gift by Mrs. M. Leon Ellis, of Greensboro, in memory of her husband, has been doubled to a principal amount of \$30,000.00 by another \$15,000.00 gift from Mrs. Ellis that arrived at Barium Springs in the first few days of January of this year.

Announcement of this second \$15,000.00 to be added to the original sum of the same figure has been made by Jos. B. Johnston, superintendent, who stated that Mrs. Ellis' second gift would help open the way for assistance to college students who were interested in professional careers. In sending this \$15,000.00, Mrs. Ellis voiced a wish that some of the income from this second sum be so used.

Immediately upon receiving this \$15,000.00, it was forwarded to the fiscal agent of the endowment fund of the Presbyterian Orphans' Home for investment, and the income from the second amount will be kept in a separate account, which is true of the receipts from investments of the original \$15,000.00.

In establishing what is now a \$30,000.00 scholarship fund Mrs. Ellis voiced a wish that when this money is advanced to college students that no notes be required of them. Each student obtaining assistance from the fund is told that there is no legal obligation to repay this at some later date, but that if they are ever in a position to do so that their repayment will simply become a part of the principal, so that the fund will build up in future years for the benefit of other boys and girls at Barium Springs who later go to college.

Mr. Johnston is establishing at Barium Springs a special scroll which will include the names of all boys and girls obtaining money from this fund, and there will also be a listing of those who have in the future years, sent back to Barium Springs this money, which will be added to the Morris Leon Ellis Scholarship Fund.

Since other members of the family at Barium Springs will ultimately be benefited by this fund, (Continued From Page Three)

HOWARD COTTAGE

Here we are back with you again.

One of our girls left us and went to Rumble Hall. We sure do miss Helen Morgan.

The following girls had visits: Gwendolyn Landrum, Lorene Hall, and Hilda Barnes' father, stationed at Morrison Field, West Palm Beach, Fla. Edna Thomas sure did enjoy a visit with her mother.

The school year is half gone. The following girls made the honor roll for the term. Elsie Vest, Mary Morgan, Shirley Inman, Betty Sue Wolfe, Kathleen Monroe, Gwendolyn Landrum and Ethel Brotherton. We had twelve on the Honor Roll this month. Those listed above and Clara Mangum, Melva Powell, Vivian Jacumin, Joyce Katen and Juanita Young. We hope to have more next month for several missed it by one thing.

We had a very nice Christmas, and hope you did, too. Santa Claus was very good to us. Everyone got everything they asked for and more. We wish to thank everybody that had a part in making us have a happy Christmas.

We wish to thank Mr. Sams for the show tickets. We sure have enjoyed the shows this past year. Daddy Johnston, we sure wish to thank you for letting us go to the shows.

Miss Burgess' mother sent us a fruit cake. Boy, it sure was good! Her sister sent us a chocolate cake. We sure did enjoy it, too. We wish to thank them for the two cakes and a box of peanut candy from Mr. and Mrs. Burgess.

Well, so long 'til next month. Bye now. —Howard Cottage Girls.

BABY COTTAGE

Second Floor.

Christmas and Santa Claus has been to see us since you heard from us last.

Christmas, the birthday of the little Baby Jesus - the pretty little baby with the halo about His head. We like to look for His picture in our Christmas story books and we saw His picture, too, when He was grown up, with a baby lamb in His arms, and that baby lamb means us. One time He was little like us - little as the babies at the Baby Cottage. But, He didn't have a little white bed like ours.

He was so good to us Christmas, too. He let Santa come to see us and Santa brought us dolls, tea sets, picture books, little chairs, cradles, tin horns, music boxes and lots of things. We made up a band and we played on our toy pianos, blew the horns and whistles and made so much noise that we 'spect Santa heard us 'way up at the north pole. We didn't get much candy, but we didn't 'specially want it, 'cause Santa couldn't buy it. We got apples, oranges, nuts and raisins - all we wanted. Some of us had a little "tummy ache," but not much. Nobody said "don't do that" unless we got ugly and all of us wanted the same thing. Then we'd look at the little Jesus picture and get so 'shamed.

We had a Christmas party and Mr. Johnston gave out our presents. Mrs. Johnston came, too, and we had such a good time. They had to get up pretty early to get here in time 'cause we went to bed early and got up real early. We left some oranges for Santa and he ate them, too, 'cause he left the rind right where we left the oranges, so we could see them.

We didn't have many visitors 'cause we guess they couldn't get gas.

Would you like to hear about our party? Toni and Marion cut some pretty little plates, with holes all over them, out of colored paper. Shirley Hall, Jackie Liverman, Ann Phillips and Lois Delinger helped put them on the table. Louise Bradshaw, Geraldine Katen and Elizabeth Huddleston poured the chocolate milk and put a cup full at each plate and Shirley Johnson and Linda Inman helped with the cake. Martha Nel, Hall helped with the raisins and oranges and Patsy Dean and Marie McNeill, the littlest of all, just ate and ate and ate! That's about all they wanted to do.

We were so proud of everything and had a fine time through the holidays and everyday.

We go to Kindergarten in the morning from 10 o'clock 'til 11:30 and make pretty things - string beads, cut paper chains, color pictures and bring them home and play with them.

We hope all the children were as happy as the babies.

SYNOD'S COTTAGE

Here we are again, and it is 1943.

We had such a good Christmas. Everybody was so good to us. When we waked up Christmas morning we found our toys under our beds. You should have heard the noise we made when we found them, everybody talked at one time.

Santa Claus was so good to us. We got such nice gifts, gloves, flashlights, trains, erector sets, and all kinds of things.

The ladies from Mrs. Carl Beaty's Circle in Mooresville sent us some of the nicest story books. Miss Taylor reads to us out of one of them most every night. We want to thank the ladies for such a nice gift.

Two of our boys made the honor roll this month: Archie McMannon and Richard Huddleston.

Tommy Scott had a visit from his mother Sunday. He was so glad to see her.

We want to wish you all a very Happy New Year. —The Wigglers.

JENNIE GILMER

Here we are again, bringing you the latest news from Jennie Gilmer.

We all had a very nice Christmas this year. Most of the boys got what they asked for. Mrs. D. M. Creswell, a Librarian in Mooresville, gave us a present of a year's subscription of the Life Magazine. We know that now we can catch up on the war news. So it was a very nice present, we sure do appreciate it.

Herman Smith was very glad to have a visit from his brother, Corris. He is a Staff Sergeant in Uncle Sam's Army.

Johnny Meroney got a package from his daddy and it had a canteen that was used in 1918. He said that he was going to keep it for a souvenir.

We have two new boys since the last time we wrote you. Their names are Pete and Bill Barber.

We want to thank Mrs. Sams for the theatre tickets that he gave us. We certainly have enjoyed going to the show.

Every one had a good time during Christmas and the holidays. I guess we'll have to close now. So long until next time.

—Jimmy Hayes and James Reid.

News About Some of the Alumni

MARRIAGES.

Johnson-Stinson.

Clyde W. Johnson, of Statesville and the United States Army, and Miss Nettie Stinson, of Statesville, were married in the First Presbyterian Church at Athens, Ga. on December 15th. Before being inducted into the army, Clyde worked in Statesville, and Mrs. Johnson lived with her uncle, Mr. Forrest A. Dunlap, on the Turnersburg Road. Clyde is stationed at Athens, Ga. at present.

BIRTHS.

Mr. and Mrs. Charlie Sears, of 737 N. Armstrong St., Portsmouth, Va., announce the birth of a boy on January 3rd. In the excitement of writing about this, Charlie didn't even take time to tell us the name of his heir.

Extracts from the four-page letter which Mr. Johnston wrote to the boys and girls in the services on December 31st follow:

"Indirect news from Lee Spencer and Worth Bolton indicate that that they too are in Africa. We have heard from Dewey Barnhill and he didn't talk as much about the War as he did about the weather and the mosquitos. You know he is in the Southern Hemisphere and this is mid-summer and it's hot!"

"Howard Beshears paid us a visit and old Howard has seen plenty of action! He was in the Battle of Midway and he could tell us a lot about that, because that is all history now. He had seen Jesse Weeks, Thomas Morgan and others who are now down in the Solomons fighting."

"New boys are going into the service so fast that it is hard to keep up with them. It looks like all the college crowd will be in just a short time. There are only two of our boys in college who are likely to finish this year's work - they are Dick Parrish and George Lewis, who are both under eighteen. Billy McCall and Rufus Long will definitely go in on the 18th of February. Probably Tom McCall and Arthur Roach will go in the 18th of January, and all the rest of them on the 18th of February."

"Henry Alessandrini wrote the nicest letter, describing his trip across the continent and his description of the scenery in Colorado and Utah was extra good. John Cole McCrimmon writes frequently and interestingly of his life in San Diego - he has moved around

some and hasn't gotten all of his mail. Bobby Bosworth is getting to do a little wrestling and Bryson Stinson has moved from Texas to Wisconsin. The same mail that brought a letter from Dewey Barnhill complaining about the heat brought one from Dalma Jessup talking about nearly freezing to death sitting out a Kansas State football game in a snow storm. Nelson Farmer is quite thrilled over his clerical course at Oklahoma A & M - he also talked about snow. 1st Lt. Joe Johnston has been transferred from Washington to New Orleans where they have the checking over of soldiers going and coming. He is also complaining about not having enough to do, but I feel a whole lot better by it than if he was being over-worked.

"David Flowers is still out at Camp Crowder, Mo., and has been promoted to Corporal and made permanent Company Clerk. Bob Johnston looked him up and they were both glad to see each other. Some of the boys in David's outfit had their basic training under Bob and they seemed to think he is tops."

"Walter Ziegler has written several letters. Carson Wood writes very interesting letters from Fort Jackson."

"Albert Cumbie is a new man in the Army, at Fort Riley, Kansas. He is getting M. P. training, but hopes to be transferred to Athletic program. Leslie Smith has finally written us a nice letter. He is in the Coast Guard on Manhattan Beach and tells about what good times he has there and how little he minds the discipline."

"Big old Lester King goes into the service this month and he'll go to Fort Jackson, in fact has been already and is ready to go back. Morris Freeman is another one. Arthur Sigmon has been transferred from Kentucky back to Norfolk."

"Henry Pittman and Ed Cole will be getting in the service before I write you again. Mr. Calhoun is now at Fort Benning, but we haven't gotten his address."

"We think of you all more than anything else - the last thing before we go to bed at night is a thought and prayer for you; the first thing in the morning is to get the first news broadcast to know if there is any news on the fronts where we know you are fighting. Wherever you are and whatever you are doing, you are still very near and dear to us."

Thanksgiving Offering Will be

liberality of last Thanksgiving. On January 13th, 451 reports had been completed out of an estimated final of 550 reports from churches and missions. Of that number, 362 had given as much, or more, than in 1941, leaving but 89 which could not measure up to their 1941 Offerings. Outstanding, too, was the fact that 152 churches had sent their best Thanksgiving sums in 18 years. If a check was made beyond 1925, it would be found that most of these were the best since gifts started coming to Barium Springs after its establishment in 1891.

Most of those 152 churches broke peaks which were set in 1941, for 57 of the 94 churches, having their best Offerings in 1941 went on to higher heights in 1942. Twelve of them broke sums which had been on the books as far back as 1925. The years since 1925 and the number of peaks broken follow:

At Vass, the high scorer was Mrs. Bryce Griffin.

Camp Greene had six members answering the most questions, these being Mrs. Paul Thrower, Mrs. F. C. Pegram, Mrs. McElroy, Mrs. Guy Neel, Mrs. G. T. Woodside and Mrs. J. O. Hawfield.

Lee Park Auxiliary had two members who knew all the answers. These were Mrs. David Hargette, Route 1, Monroe, and Mrs. W. C. Smith, E. Park Ave., Monroe.

Bessemer Auxiliary reported that Mrs. E. L. Aydlette, Greensboro, was the winner, with Mrs. J. W. Cole a close second.

Grove (W) Auxiliary had two ladies making perfect scores. These were Mrs. N. B. Boney and Mrs. L. Southerland.

At Pearsall Memorial three ladies scored 100% on the 17 questions selected and used. These were Mrs. L. L. Hughes, Mrs. G. W. Martin and Mrs. C. H. Mills. Mrs. Hughes and Mrs. Martin knew every answer, it developed later, in the entire catechism, and Mrs. Mills knew most of them. This Auxiliary reported an organization average of 75%.

Other winners in these quiz programs in the various Auxiliaries of the Synod will be published as they are furnished to Barium Springs.

\$15,000 Added to Scholarship

(Continued From Page One)

It is believed here that those who obtain money from this particular Scholarship Endowment will consider it a privilege to repay and help others, though no legal obligations to do so will be involved. Mrs. Ellis did not want the advancing of this money to be a handicap to anyone who might later undergo reverses and be unable to repay.

It seems appropriate here to quote from Mrs. Ellis' original letter when the first \$15,000.00 was sent, which reveals that she is concerned about the citizenship of our country after the world conflict has been concluded:

"For the past several years my husband and I have heard your fine talks when you came to our morning service. After each of these my husband remarked concerning the fine constructive work you were doing with underprivileged children. The last time we heard you he said, 'That institution is turning out fine worthwhile citizens.'

"Remembering that, and realizing that when we have won this war, the biggest job is still ahead of us, I felt that an investment in citizenship was as much a patriotic duty as helping to provide war materials.

"I also felt that no more satisfying memorial to my husband, who was always so interested in helping anyone in need, and particularly children, could be established. When you come I will be interested to talk with you. My only desire regarding the way the fund is used is that all or part of it may become a permanent part of your institution as a memorial to my husband. I had thought of a loan fund for further education when boys and girls are ready to leave Barium."

used. Mr. and Mrs. Matheson may have started the sending of gifts for that church, too, which are not forwarded in memory of any individual. Care is always made here to follow out the wishes of every donor of every sum that arrives.

Rationing of Doctors Doesn't

(Continued From Page One)

mas - we had lots of candy, but not as much as in former years. There wasn't a banana in sight - there was a big shortage of metal toys, and that included roller skates, but all in all we had the happiest Christmas ever, and we believe part of it was due to the excellent health the youngsters were enjoying.

Right now we are faced with the curtailment of our two greatest amusements - picture shows and basketball. Certainly the picture show is out for the winter months anyway; basketball is still in the balance, and still the youngsters refuse to be down-hearted. Part of this, we believe, is due to their good health and maybe the rest of it is due to the fact that they are just fine kids and can take their disappointments in stride.

Thanks and More Thanks

This year we have made an extra special attempt to acknowledge all the more than two thousand Christmas gifts sent to our children. We mailed cards on the arrival of the gifts to all senders. We have had every chick and child who can do so write a letter of thanks. Some packages arrived without any addresses, or the name of an individual on it, and so could not be acknowledged. Just to make SURE our Friends know how deeply and sincerely we appreciate all their many remembrances, we are using The Messenger as a medium to further acquaint you with this gratitude on our part.

Barium girls and boys had a great Christmas - thanks to YOU!
